### Leadership and people

- The role holder will role model the company values and ensure they are reinforced at every opportunity. The role holder will provide leadership and clear direction on all aspects of the assigned operational business area, ensuring assigned colleagues deliver on business objectives. The role holder is responsible for supporting the delivery of the people plan and subsequently developing future capability of front-line teams. The role holder will lead by example and champion effective communication. The role is responsible

for the recruitment, induction, performance and development of assigned colleagues and will manage the performance of those colleagues and support other department managers to achieve this, in line with Sodexo HR policy and procedures.

#### **Risk, governance and compliance**

- The role holder is accountable for full compliance and understanding of all company risk, reporting and governance processes within their assigned operational area. The role holder will ensure that these processes are fully applied, complied with and adhered to within assigned operational business area.

#### **Financial management**

- The role holder is accountable for the financial performance of the assigned business operational area in line with set budgets and as a contribution to overall site financial performance. There will be a requirement to contribute to the monthly financial review process for the assigned operational area and also to ensure follow up on all improvement plan actions to support improved financial performance where necessary.

#### **Relationship management client and team**

- The role holder is responsible for managing client and customer relationships and developing and maintaining strong business relationships. The role holder must seek to understand the client's business environment and drivers, developing and maintaining strong relationships and establishing a network of client contacts. The role holder will manage clients proactively and professionally, in line with Clients for Life®, ensuring Sodexo delivers service in line with the client's business objectives. The role holder will understand the importance the client places on partnering principles and endeavour to establish a dynamic and positive culture for co-operative business relationships and improvements to service.

#### **Operational management**

- The role holder will be responsible for overseeing their assigned operational business area and managing compliance with legal, regulatory and company requirements including the quality management system (QMS). The role holder will effectively manage continuous improvements, taking corrective action where necessary and informing their line manager of performance issues. The role holder will ensure robust health and safety procedures are implemented, reviewed and reported on a regular basis. The role holder will resolve daily operational issues within their assigned area and, in rotation with other site department managers, deputise when the general manager is not available.

#### **Service excellence**

- The role holder will be responsible for driving all aspects of service excellence across their operational business area including brand integrity, quality, compliance, Sodexo's corporate social responsibility and service standards. The role holder will ensure that work is appropriately recognised and expected standards ensuring the offer is meeting the customer's needs through full and correct use of company tools. In partnership with subject matters experts, you will champion and embed service excellence initiatives across your business area and ensure that all services are aligned to the defence client and customer needs and deliverable within budget.

#### **Continuous development**

- The role holder will be responsible for the continual development and improvement of all on-site services, resulting in improved services, increased sales and reduced costs. The role holder will also continually monitor financial performance (e.g., supply chains, sales, labour, expenses, internal issues) to ensure that the budget figures are maintained and improved. When variances occur, to provide written explanation of costs and implement action plans for correction.
